IBRAHIM HUSSEIN OMEIS )

### Report of Violation of Conditions of Pretrial Release

COMES NOW Brandon Barnes, U.S. Probation Officer, presenting a report to the Court upon the conduct of defendant, Ibrahim Hussein Omeis, who was placed on pretrial release supervision by the Honorable U.S. Magistrate Judge Renee Harris Toliver sitting in the Court at Dallas, Texas, on May 20, 2020, under the following conditions:

(7m) The defendant must not use or unlawfully possess a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner.

The undersigned has information that the defendant has violated such conditions in each of the following respects:

On October 1, 2020, U.S. Probation Officer (USPO) Tiffany Routh, Eastern District of Texas, notified this officer that the defendant reported on September 30, 2020, and tested presumptively positive for marijuana. USPO Routh requested the sample to be confirmed and provided this officer with laboratory confirmation results from Alere Toxicology, which confirmed the specimen collected on September 30, 2020, was positive for the THC Metabolite. The defendant stated he was at a friend's house and ate a brownie and wasn't aware that it contained THC until after he consumed it.

The defendant is currently submitting to substance abuse testing as directed. Treatment was not initially recommended; however, the defendant has been referred for treatment.

The undersigned suggests to the court that no action be taken. It is recommended that the defendant be allowed to continue on bond with the current conditions in place and participate in substance abuse treatment.

I declare under penalty of perjury that the foregoing is true and correct.
